MADISON TOWNSHIP CONSOLIDATED GRADE and HIGH SCHOOL 1922

In 1923, this article appeared in the 1923 Educational Directory, Jay County Public Schools:

This year witnessed the complete consolidation in Madison Township in one of the best buildings in the state. The new building was built at a total cost of approximately fifty thousand dollars and is pronounced by the school inspector and other state officials to be one of the best arranged rural consolidated buildings in the entire state. Many of the patrons in other townships are gradually coming to see that the best advantages can only be obtained through a system of consolidation of the schools and while the process is slower than in some other counties of the state, yet it is a gradual process and will in the course of a few years include all the townships where the system is at all practicable.

Classes first met in the fall of 1923 with Harold Brubaker as principal. Mr. Brubaker remained as principal for seventeen years until he went to Portland as principal of Portland High School. Others who taught at Madison that first year were S. A. Armstrong, who taught for ten years, Clarence McLaughlin, who taught for twenty-six years, Lulu Tinkle, J. A. Spitler, John LeMaster, who came back as principal for nine years, Floyd Freemyer, Mabel Whitacre, Vesta King, and Iona Myers.

Other teachers who taught for ten years or more were Frances Brubaker, Thelma Kidder, Mabel Ickes, Gladys Miller, Dale Marsh, Ralph Messner, Aldes Mott, and Nadine Spencer.

Eleven Madison graduates returned to teach at Madison. They are as follows: Thelma Kidder, Tressa Miller, Clarence Sommer, Rachel Warnock, Emma Stump, Marie Bibler, Florence Heidegger, Ivan Sommer, Doris Harruff, Ruth Evelyn Theurer, and William Paul Lee.

Our school has had many successful basketball seasons and has won the County Tourney eight times. Our baseball team won the County Championship in 1932. We also had a girls' basketball team which played until 1929. Denny Van Osdol competed in the State Track Meet in 1964.

The Rhodes Scholarship was established by Walter Rhodes in 1956 and has been awarded to these students since 1956: Ann LeMaster, Arlene Morris, Carolyn Miltthaler, Joy Turner, Karen Van Osdol, Ginger Layman, Barbara Thornton, Janet Ballard, and Dennis Theurer.

In 1964, Madison again joined larger forces for the improvement of our school system. Madison Township School became a member of the Jay School Corporation.

Plans are now being made for a new modern educational system that can compare with the best in the state, as that of Madison did when we started in 1923.

History of the Class of 1966

Our class entered Madison School in the fall of 1954. Students who started school that year that are still familiar faces include Lena Boner, Craig Caupp, Garry Gettinger, Joe Fennig, Judy Imel, Mickey Lyons, Pamala Sheffer, Jane Steed, Tom Stultz, Dale Theurer, and Mike Theurer. Our first grade teacher was Mrs. Mary Jane Conway.

When we became second graders half of the class was under the instruction of Mrs. Ruth Study and the other half under Mrs. Conway. Barbara Sipe came from Noble that year to become a member of our class. In the third grade we were all students of Mrs. Study.

We all remember ciphering when we were in Mr. Aldes Mott's room in the fourth grade. That year our class expanded as we received four new members from Randolph County schools, Marie Hudson, Shirley Bentz, Carol Murrell, and Bob Hall.

We were separated again in the fifth grade as half of us moved into Mr. Ralph Messner's room and we picked up a Portland student, Roxie Walker.

All together again as Mr. Messner's sixth grade, Mary Martin joined us from Portland. That was the year we went to Ft. Wayne to the Shrine Circus and a fortunate group went to the Cincinnati Zoo with Mr. Messner.

In the fall of 1960, we were promoted to the rank of Jr. High students, changing classes every fifty-five minutes. Mr. Dale Marsh was our teacher and first class sponsor, Tom Stultz was our first class president, and we had our first class party.

Max Prescott joined us as eighth graders from Ward-Jackson. Mrs. Margaret Young became our class sponsor. We lost Carol Murrell who went to California to live with her sister.

When we were Freshmen we went to Purdue University and were encouraged to make some kind of plans for college. When we were Sophomores we got our class jackets, had our first project, a ham and turkey raffle which was quite successful, and Sue Denton joined us from Spartanburg School.

In our Junior year Tom Stultz left us to go to school at Portland and Mary Martin, Bob Hall and Mickey Lyons also left. We had our first class play, bought our class rings, and sold seventeen hundred dollars worth of magazines. We visited the Indiana State Legislature at Indianapolis with the Senior Class of 1965 in January and after school was out in May we went to New York City and Washington D. C. on our class trip.

As Seniors we have lost Pamala Sheffer, leaving us only fourteen in number. Mrs. Young has been our class sponsor for five years and is responsible for encouraging us to make our memorial yearbook.

Of the fourteen graduating, seven are making arrangements to enter college. Three class members have parents who graduated from Madison. They are as follows: Forrest Theurer and Wilma Jean Hilfiker are Mike Theurer's parents, Harold Theurer and Ruth Evelyn Smith are Dale Theurer's parents, and Donnel Sipe is Barbara Sipe's father.

Class Will

I, Barbara Sipe, will to Madison School one less worry and to Carol Raszkowski, my ability to pole vault.

I, Jane Steed, will anything I have to anyone who wants it.

I, Dale Theurer, being of sound mind and body, will my first chair cornet music to Randy Sipe.

I, Mike Theurer, will my front seat in study hall to whomever gets it.
